- Created and managed the Division of **Research & Forecasting**, which analyzes the domestic & international economy and publishes regular reports (<http://www.eurobank.gr/research>)
- Managed the Research Department's **Capital Markets Division**, which is located within the Treasury Department and follows the markets on a timely basis
- Responsible to shape and deliver the Bank's public messages regarding the macro-economic environment, international economic trends and the movements of financial markets in road shows and events in Greece and abroad
- Provided advising services to Bank customers as well as other banking divisions & Bank subsidiaries, such as asset management, private banking, or Treasury
- Organized conferences addressed to the Bank's customers on key economic themes (e.g. real estate, sources of growth, FX developments, China, the Euro Area crisis) by utilizing own personal contacts to attract high-caliber international academics (some are Nobel laureates) as guest speakers
- Participated in high-profile expert forums, panels and debates with major opinion makers of world economic policy
- Contributed applied research articles to the Bank's publications, and initiated and edited book volumes sponsored by Eurobank
- On secondment to the Hellenic Republic from 12/2011 to 05/2012

01/96 - 12/05 **National Bank of Greece S.A.**

Director of Strategic Planning & Research & Group Chief Economist  
reporting to the Deputy CEO until 08/99 and subsequently to the CEO

- Responsible for the set up & monitoring of the Group business plan and key contributor to the 1990s Bank transformation into a competitive institution and expansion abroad
- Established and headed the Strategy & Asset-Liability Management Unit and performed monthly analyses on the effects of changes in the composition of the asset and liability portfolio as well as FX and interest rate changes on the Bank's profitability and valuation
- Head of the Risk Management Unit (the first in Greece) responsible for measuring Basel I credit & market risk capital requirements for the Bank and the Group, also pioneering the VaR methodology
- Established and headed the Investor Relations unit and participated in road shows of Bank presentations to investors in Greece and abroad
- Responsible for the Bank's public messages to its customers regarding its own profitability and strategy and the general economic environment
- Played a leading role in the underwriting and issuance of the Bank's first in its history subordinated bond and the Bank's first in its history official rating by a Rating Firm
- Responsible for the contents and write up of the Bank's Annual Report
- Restructured the Strategic Planning & Research Division and produced a constant stream of publications on the Greek economy and on financial markets
- Created a new Subdivision within the Research Division - the South East European Economic Studies, with regular bi-monthly publications
- Co-authored a book on the Euro, sponsored by the Bank
- On secondment to the Hellenic Republic from 05/2000 to 03/2004

10/95 - 05/00 **National Securities S.A.**  
Member of the Board of Directors

- Overlooked the transformation of the securities brokerage firm into a transparent and profitable enterprise
- Examined the implementation of new risk management processes, particularly on the flow of information from customers to brokers and markets in order to minimize business risk
- Since 2013 the company is renamed to NBG Securities S.A.

05/98 - 05/00 **Athens Derivatives Exchange**  
Member of the Board of Directors

- Actively involved in the original creation of the Athens Derivatives Exchange and its operational infrastructure
- Contributed in the creation of the first futures contracts to be traded and their characteristics
- Oversaw the original hiring process of personnel
- In 02/2002 the Derivatives Exchange merged with the Athens Stock Exchange

05/10 – 02/12 **Foundation for Economic & Industrial Research (IOBE)**  
04/18 -present Member of the Board of Directors and the Executive Committee

- Contributed to the annual strategic planning that sets the research agenda and the list of events organized by the Foundation
- Oversaw the execution of the annual budget
- Member of the Executive Committee since 04/2018

01/96 – 06/14 **Hellenic Bank Association (HBA)**  
Member of the Scientific Council  
President of the Scientific Council from 11/09 to 11/11

- Representative of HBA in the government's Fiscal Auditing Committee, formed in 10/2009, which reported to the Greek Parliament in 1/2010 on the measurement problems of the fiscal statistics
- Coordinated the activities of the Scientific Council and Advised HBA on current economic issues of banking interest
- In charge of the content and write up of HBA's Annual Report
- Co-edited a book volume (in Greek), sponsored by HBA
- Membership in the Scientific Council was interrupted twice, from 5/2000 to 1/2005 and from 12/2011 to 5/2012, both events related to secondments to the Economic Affairs Office of the Prime Minister

06/96 - 05/00 **European Banking Federation**  
02/13 – 06/14 Member of the European & Monetary Affairs Committee

- Representative of the Hellenic Bank Association in the European & Monetary Affairs Committee
- Led the 1990s discussions on the formation of EMU and its effects on the financial sector
- Promoted the Hellenic interests in the creation of EONIA & EURIBOR
- Discussed European banking issues

## **Central banking experience: Analytical description**

03/94 - 12/95 **Bank of Greece**  
Economic Adviser to the Governor

- Alternate to the Governor of the Bank of Greece at the European Monetary Institute (precursor to the ECB)
- Participated in regular meetings with other Alternates prior to the meetings of central bank governors in Basel or Frankfurt for the purpose of resolving all pending issues ahead of the governor meetings
- Member of the Monetary Policy Subcommittee, which met on a frequent and regular basis in view of the upcoming monetary union
- Represented Greece in EU discussions and negotiations about the optimal design of the Eurosystem, its infrastructure and its rules of conduct
- Combined theoretical and practical knowledge of both Macroeconomics and Finance with central bank experience outside Europe to effectively promote the Bank of Greece positions in the on-going negotiations
- Actively participated in EU discussions and negotiations of how the Maastricht rules for joining EMU would become operational
- Actively participated in EU discussions and negotiations on monetary policy independence, on inflation targeting, on collateral assessment, on TARGET issues, etc.
- Advised the central bank Governor in Greece on domestic monetary policy issues
- Contributed with research articles within the Bank of Greece

09/89 - 09/93 **Federal Reserve Bank of New York, USA**  
External Research Adviser

- Developed a research agenda on Margin Requirements, which subsequently influenced the US policy decision to bring stock futures margins regulation under the auspices of the Federal Reserve
- Performed research on the US Economy and its financial markets and advised the top management on monetary and regulatory issues
- Contributed with research articles to the Bank's Quarterly Review
- Was simultaneously a university professor

09/87 - 08/89 **Federal Reserve Bank of New York, USA**  
Senior Economist

- Contributed to the preparation of the Governor for his participation in the FOMC meetings
- Contributed to the Bank's analysis of the stock market crash of 1987
- Initiated the Bank's research agenda on the term structure of interest rates and its relation to the macro-economy
- Was hired as an economist on leave from the university and then soon promoted to senior economist

## **Academic experience: Analytical description**
